

# Kid's Worship Worksheet!

What you'll Need: This worksheet, 1 strip of stickers, a wax pencil, and the bulletin for today's Worship Service.

This worksheet is to help you learn the parts of the Worship Service so you can worship our AWESOME GOD during church! Try to work through the worksheet at the same pace that the service is going. If there are parts you don't know how to do right now that's ok...just do what you can! If you have questions be sure to ask your parent or guardian for help.

What you'll do:

1. As you worship, look for the different parts of the service that are found on this worksheet. When you find that part follow the instructions in that box. (Hint: Some of the parts may happen at different times each week, or may not happen at all this week!)
2. If you have time at the end of the service do some of the things in the yellow box named "Extras!" at the end of this worksheet.

## the Parts of the Worship Service:

### Preparing for worship

Put the "Please Bee Quiet" sticker on your bulletin by the part where we prepare for worship. This is the time when we settle down, stop talking, and get ready to worship. If you're ready to worship God write **I'm Ready!** in your bulletin.

### Worship Songs

After each song, pick a smiley face sticker to put next to the title to show how it made you feel. (Hint: If it made you happy, use the smiley face with the huge smile!) Then, if the words to the songs are printed in your bulletin, **circle** your favorite line or word in each song.

### Praise

Put the heart sticker by the part of the Worship Service where we tell God how much we love and adore Him. **Circle** all the words that mean to love and praise God. Some words that you may see are: love, adore, praise, goodness, heart, and sing.

### Confession of Sin

Put the brown cross sticker by the part of the Worship Service where we confess our sin. **Pray** during this time and ask God to forgive you for your sins.

### Invocation

Find the word "Invocation." Put the sticker of the boy or girl praying next to that word and then write down the word **PLEASE**. We are writing "PLEASE" to remind us that this is when we ask God to please be here and help make our Worship Service glorifying to Him.

### Assurance of Pardon

Listen carefully and when you hear the word "Forgiven" put the "FORGIVEN" sticker down on your bulletin and **underline** it. We are forgiven because Jesus died on the cross for us. Remember, there isn't a sin so big that God can't forgive it.

## tithes & offerings

Put the sticker with the clock (time), gift (talents), money sign (treasures), by the part of the Worship Service where we give back to God the things that He first gave us. **Write** down one thing God gave you this week (Example: time with a friend, learning how to cartwheel, a toy).

## Pastoral Prayer

Put the sticker of the hands praying next to the part when the pastor or elder prays for the people of the church, your community, the world, and the preaching of God's Word. **Draw** a picture of one of the people or things being prayed for.

## Sermon

Put the Bible sticker by the section where the pastor teaches us a lesson from the Bible. Then, do as many of the following things that you can:

1. **Circle** the name of the pastor teaching the sermon today.
2. **Draw** a picture of what the sermon title might mean.
3. Open a Bible and find the book of the Bible where the scripture reading is from. (Ask for help if you need it!)
4. Write down the letters **OT** if the book of the Bible is found in the Old Testament. Write down the letters **NT** if the book of the Bible is found in the New Testament.
5. Find the section in the bulletin called Sermon Notes. When you are able, this is where you will **write** notes about the sermon. If you are not ready to write notes, **draw** pictures or **write** words of what you think the sermon means.

## Communion

Put the stickers of the bread and cup by the section where the pastor holds them up and talks about them. He does this so we can all remember the suffering and death of Christ. Write the words **Body** and **Blood** next to the sticker that represents that word.

## Benediction

Put the sticker of the pastor raising his hand by the section where the pastor gives us a final blessing and sends us off, to make disciples, closing the Worship Service. **Wave** at the pastor when you leave the sanctuary!

## Baptism

Put the sticker of the hands holding water next to the part about baptism. The water reminds us that God washes away all our sins through faith in Jesus Christ. **Pray** for the child/adult being baptized that they will know God's love for them.

## New members

Put the sticker of the family next to the part of the service when someone becomes a member of the church. Write the word **Welcome!** next to the sticker and try to remember to welcome them to the church family after the service.

## extras!

### find your favorite part

Put the star sticker on the part of the service you enjoyed most. Be sure to tell your parent or guardian that part was special to you. Ask someone what their favorite part was and why.

### how many parts of the worship service did you find this week:

Look at your bulletin and see which parts of the service you found. (Hint: Look for the stickers.) On your worksheet draw a check in the little yellow circle that's in the same box as each part you found. (Example: )

Then, in this big yellow circle write the total number of checks you had.
