

In the beginning, God made people.
He made a wonderful garden for them.

EVE!
GOD'S HERE!
HE WANTS TO WALK
WITH US AGAIN-
HOW COOL
IS THAT?!

⇒ yay! ⇐
I bet it's going to be
ever MORE
amazing than
Yesterday!

God lived there with them!

But then...

The people decided not to do what God said. This is sin. The people couldn't live with God anymore.

God put angels in front of the garden.
They were like a big Keep Out sign.

God came to live among people in
a special building.

But God put a big curtain around where he lived. It was a big Keep Out sign.
